Event Space

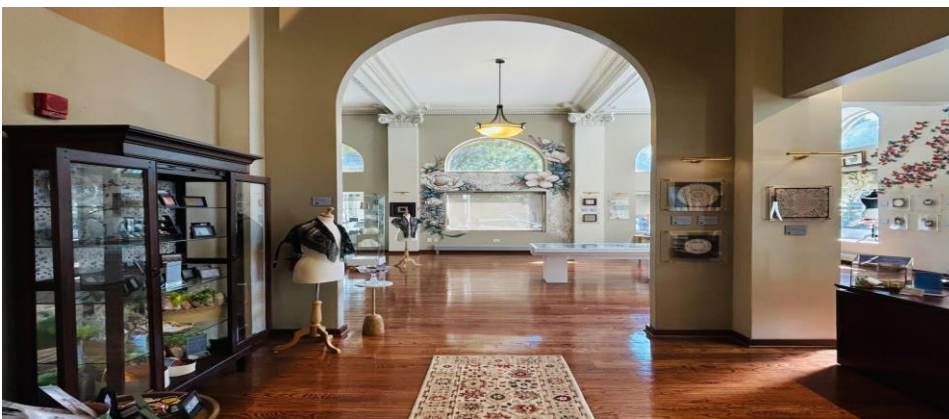

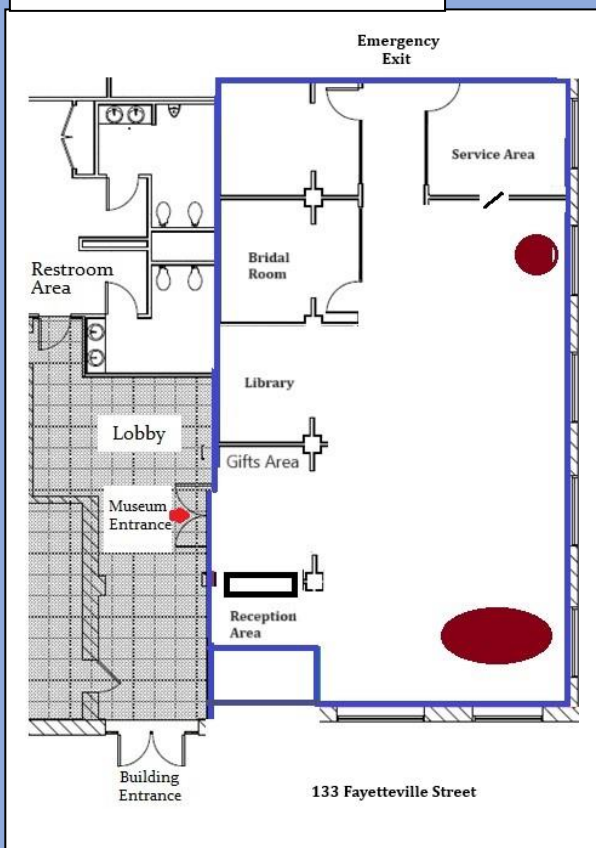

The museum space comes equipped with a tables for 22 people. Seated events of 23 to 75 people, such as weddings, company gatherings, etc., require us to clear the interior. Cocktails or informal events can be held for up to 110 people, with rooms for small tables within the existing museum space.

The rental rate is \$300 for the first hour (non-refundable at time of booking) and \$200 for each subsequent hour, payable one week before the event. On the event day, we may charge a setup fee if the floor exhibition needs temporary removal. Security persons, if needed, cost \$50 per hour, and clean-up is \$100 regardless of the event duration. Fees do not cover catering services. Ask us about our in-house service.

Ask for our standard rental agreement covering the rental terms and explaining the renter's liability for any damages to the displays, floors or museum infrastructure.
